By Sally Morgan

QEB Publishing, United States, 2014. Hardback. Book Condition: New. 266 x 214 mm. Language: English . Brand New Book. Did you know that a lion can leap the length of a bus? Did you know that a lion's roar can be heard 8 kilometres away? Did you know that lions spend half their lives sleeping? Learn all about these majestic animals - where they live, how they grow and learn, what they eat and the dangers they have to face. By the time you've finished reading, you'll be a lion expert! The Animal Lives series: This series is a great introduction to the world of animals - where they live, how they grow and learn, what they eat and the dangers they have to face. Animal Lives has all the facts on your favourite ocean animals. Each title in this appealing series takes an up-close look at a different creature, exploring habitat, conservation and animal adaptation, as well as looking at the life cycle of the particular animal and the way the young survive - often against tremendous odds. This series also discusses the importance of protecting endangered species and their habitats. The Animal Lives series includes:...

Reviews

It is one of the most popular publications. We have read through and that I am sure that I will likely to study again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be the best PDF for actually.

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
