

Life Beyond 100: Secrets of the Fountain of Youth (annotated edition)

Filesize: 2.45 MB

Reviews

This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Burnice Cronin)

LIFE BEYOND 100: SECRETS OF THE FOUNTAIN OF YOUTH (ANNOTATED EDITION)

[DOWNLOAD](#)

Penguin Putnam Inc. Paperback / softback. Book Condition: new. BRAND NEW, Life Beyond 100: Secrets of the Fountain of Youth (annotated edition), C Norman Shealy, Using today's most leading-edge therapies and breakthroughs in the science of longevity, C. Norman Shealy, one of the pioneering holistic physicians of our time, shows how we can healthfully age to one hundred, and beyond. The idea of living well beyond one hundred years-and enjoying those years in good health-used to be the stuff of science fiction. No longer. C. Norman Shealy, M.D., Ph.D., whom Caroline Myss calls a "wizard-genius-scientist-mystic-physician," offers "Life Beyond 100: Secrets of the Fountain of Youth." In this deeply learned and revolutionary book, Dr. Shealy provides a new concept of longevity, one that reveals that we can live far longer than current science suggests. Basic healthy living and the use of alternative therapies have long been touted as "the way" to well-being, but Dr. Shealy takes these tenets a step further. From the physiology of stress and its effect on the human mind and body to the importance of DHEA; from the proven techniques of photostimulation and biofeedback training to groundbreaking suggestions for alleviating depression; from Shealy's electromagnetic framework of life to his recommendations for optimal health, "Life Beyond 100" presents a detailed roadmap to achieve healthy aging-or "youthing." The result of years of clinical practice and cutting-edge research, "Life Beyond 100" also exposes the fallacies behind many of the claims made by the medical establishment and the pharmaceutical industry. Shealy argues that rather than increasing people's life expectancy, these two groups create the opposite effect, consigning hundreds of thousands of people to an often miserable and premature old age by treating symptoms with an antidote-prescription medicine-that is often worse than the ailment itself. As a counterpoint, "Life Beyond 100" provides...
