ZONDERVAN, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Space hero Super Ace is called to planet Joop to fix a galactic space traffic jam. He and Sidekick Ned can t even get to the planet because there are wrecks everywhere. Super Ace tries to use his super powers (strength and good looks) to clear the traffic and get everyone moving again, but his attempts only make the situation worse. Ned uses his God-given wisdom to solve the traffic problem. The galactic space stop light is flashing every color of the rainbow, so space ship drivers don t know if they should go, slow down, or stop. He knows people have to follow the rules to be safe. Ned fixes the light and the drivers stop crashing. This level-two I Can Read book uses engaging characters and a simple plot to build children s confidence as they discover the joy of reading independently.
