Reviews

A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Preface The projects included in this bulletin represent a selection of materials which illustrate what may be done in the junior and senior high school. The projects which follow constitute a selection from a much larger number, but we have endeavored to include samples for each of grades seven to nine, inclusive. Space will permit us to present only one project for the senior high school. In our selection we have endeavored to include projects which enlist a variety of interests and which cover a number of subjects. These projects have been developed in the Extension Courses in the Project Method of Instruction. We feel that they will be of aid to New Jersey teachers in planning similar undertakings. We desire to express our thanks to the county superintendents, city superintendents, principals, and presidents of teachers organizations who have co-operated in the organization of our Extension Courses, and who by their untiring efforts have contributed so much to making them a success. THE EDITORS. 464804 The Cacao Industry Jennie B. Post, Grade jA, West Hoboken, N. J. Situation In connection with our geography lesson, the pupils had been discussing the steady increase in trade between the United States and South American nations. This talk led to the statement that since the completion of the Panama Canal the sailing distance between New York and Guayaquil had been reduced thousands of miles and that better and swifter boats were being put into service. Name an important product...
