## Sin

---

By Sharron Riddle

Curiosity Quills Press. Paperback. Book Condition: New. Paperback. 258 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. *Magick and Tigers and Druids Oh My!* This book starts out with a jolt and keeps you in suspense throughout. *Diana Loera* If you are looking for a fresh, imaginative YA fantasy with an exciting plot and characters, then *Sin* is the perfect book for you. *Rich Blaisdell* I've read the *Hunger Games* and *Twilight* yet they didn't grab me the way *SIN* did. *Maureen Sevilla* My name is Sin. I killed a man in self-defense when I was sixteen. Not something a girl wants to brag about. My dad wanted to lock me up in the nut house, but Mom sent me packing to my great aunts in St. Charles, IL. They're ancient druid priestesses, and they make me look like a pacifist. I'd barely unpacked before the aunts sent me to find the stolen hellhounds. Without the hounds to herd them to the underworld, the souls of the dead are flocking to the cities in murders of crows. If they're still hanging around after three days, they'll turn into flesh eating, brain feasting zombies. Van, an annoying but uber-hot Fey Prince, joins us...

### Reviews

*Comprehensive manual for publication lovers. We have read through and so i am confident that i am going to going to read yet again once more down the road. I am easily could get a enjoyment of looking at a created pdf.*
