CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 192 pages. Dimensions: 10.0in. x 8.0in. x 0.4in. As an executive, this is one of the books you need on your bookshelf, and to reference it when the topic of conversation is strategy. We've packed more than 25 years of strategy consulting and best practices in this executive brief. Recommended by thought leaders on strategy, this executive handbook skillfully illustrates the science and art of strategy formulation with patterns, prototypes and models that transform strategy creation to unprecedented profit growth. The Executive Strategy Handbook is a must read for anyone interested in methodically leading strategic thinking for their organization. It is a readable and practical manual for formulating, planning and executing strategy. Using this handbook, CEOs will be able to create new strategic thinking and frameworks that deliver exceptional competitive advantage and value for their stakeholders. Organizations that have used lessons in this Executive Strategy Handbook have successfully created entirely new source of revenues, high performance business models and alignment of their people along strategy execution. This handbook illustrates three key principles required for building legendary companies. First, craft the right strategy. Second, adopt flexible strategic tactics that we call stratagems. Third, implement and learn quickly through agile execution. The handbook teaches the secrets to successful strategy development, mastering the art of strategic maneuver and taking a strategy from vision to execution. This item ships from La Vergne, TN. Paperback.
