Random House USA Inc, United States, 2011. Paperback. Condition: New. Reprint. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. From New York Times bestselling author Kay Hooper comes a classic love story about a man who lives by his own strict code--and the headstrong woman who s determined to crack it. When car trouble leaves her stranded in a deserted corner of the Rockies, love is the last thing on Teddy Tyler s mind. But there s no denying the attraction that grips her the minute she lays eyes on Zach Steele, a rugged security expert staking out a gang of gunrunners in a remote mountain cabin. Zach has survived this long by adhering to a few simple principles: Travel light, travel fast, and travel alone. Now, to keep from blowing his cover, he must hold Teddy hostage for a week--if, that is, he can keep at bay his own simmering feelings for her. Teddy s not that easily confined, especially when her man s in danger. So when a simple surveillance job turns into a deadly game of cat-and-mouse, she must convince the original lone wolf to let her help--or see their chance at love fall prey to one of Zach s deadliest enemies.
