Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.You want to talk about going through hell and coming out the other side, then look no further than Denise. Sure, she was born into a post-apocalyptic world right before the crash, where soldiers tried to kill you and zombies tried to eat you, but that was the least of her worries. Learning to survive in a world where 90 percent of the population wanted you dead didn't seem so daunting once Denise had her run in with Doc Gutierrez and his side kick daughter, Yasenía. But let's not get ahead of ourselves just yet. Denise started out in a world where the newspapers were underground, families bolted metal doors shut at night to keep the zombies out, and eating out of a tin can to candle light was considered a good hearty meal. It was all she ever knew, but it didn't stop her curiosity, and she was constantly getting in trouble for sneaking out into the city alone to spend hours sitting in the old boarded up city library looking at pictures of Hollywood movie stars and of a world she didn't recognize. All that changed for her when she came home one afternoon and found that a group of ravagers, unfriendly blood thirsty werewolves, had made her parents into an afternoon snack. That's when she lost it, grabbing anything she could find and fashioning it into what she liked to call, Zombie Snipers. They were really just devices that let her get her aggression out on the undead by throwing a spear into their heads, and laughing as they rolled across the ground. It wasn't often she came across any humans, especially since...
