## Iggy Loomis, Superkid in Training

By Jennifer Allison

Puffin Books, United States, 2014. Paperback. Book Condition: New. Professor of Government and a Member of Cresc Michael Moran (illustrator). Reprint. 196 x 130 mm. Language: English . Brand New Book. A hilarious new illustrated middle grade science fiction series for elementary school readers and fans of Captain Underpants! Iggy Loomis is the weirdest little brother ever and he's a huge pain in his older brother Daniel's you-know-what. But when Daniel befriends Alistair, his new next-door-neighbor, Iggy gets much, much weirder. Little does Daniel know Alistair is really an alien. When Iggy thinks he's eating Alistair's candy, he's actually eating chemically-coated insects. Yuck! Soon Iggy's DNA starts to mutate, and Daniel and Alistair have to keep Iggy's new superpowers from manifesting before everyone gets in trouble. Piles on the yuks . It doesn't take psychic powers to see how this could be a crowd pleaser. Kirkus Reviews Allison creates a comically put-upon older brother in Daniel in a lighthearted story that captures the chaos of everyday family life, superpowers or not. Publishers Weekly.

### Reviews

*It is a single of my favorite pdf. Yes, it is engage in, still an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Dr. Keeley Windler**

*If you need to adding benefit, a must buy book. It really is rally interesting throgh reading through period. Your way of life period will probably be convert as soon as you total looking over this book.*
