

## Discovering Statistics using IBM SPSS Statistics

By Andy Field

SAGE Publications Ltd. Paperback. Book Condition: New. Paperback. 952 pages. Dimensions: 10.4in. x 7.6in. x 1.4in. Unrivalled in the way it makes the teaching of statistics compelling and accessible to even the most anxious of students, the only statistics textbook you and your students will ever need just got better! Andy Fields comprehensive and bestselling Discovering Statistics Using SPSS 4th Edition takes students from introductory statistical concepts through very advanced concepts, incorporating SPSS throughout. The Fourth Edition focuses on providing essential content updates, better accessibility to key features, more instructor resources, and more content specific to select disciplines. It also incorporates powerful new digital developments on the textbooks companion website (visit [sagepub.com](http://sagepub.com) for more information). WebAssign The Fourth Edition will be available on WebAssign, allowing instructors to produce and manage assignments with their students online using a grade book that allows them to track and monitor students progress. Students receive unlimited practice using a combination of approximately 2000 multiple choice and algorithmic questions. WebAssign provided students with instant feedback and links directly to the accompanying eBook section where the concept was covered, allowing students to find the correct solution. SAGE MobileStudy SAGE MobileStudy allows students equipped with smartphones and tablets to...
