By Bernadine Mabe

AuthorHouse. Paperback. Book Condition: New. Paperback. 200 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Family survival was an all-consuming passion for Dan Shepherd. To avoid the impending Indian hostilities that would soon be unleashed against the isolated town of Hidden Valley, he moved his five younger brothers and sister back to their Boston roots. For twelve years, Dan endured the East until the onset of civil war gave him excuse to return his siblings to their western wilderness home. Moving three thousand miles across the continent distanced the family only from the civil war battlefields. The Shepherds soon found themselves embroiled in their own internal conflict where the battle lines were drawn around one solitary youth. Brother rebukes brother: That kid is a curse on anyone who has anything to do with him and you are bringing him into our home! Family strife was not the only battlefield the Shepherds would face. A band of renegade deserters laid claim to Hidden Valley and held it in siege. Will the Shepherds, of strong faith and integrity, fall prey to superstition and iniquity? Can a family divided against itself long endure? Will Davy be their undoing? This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
