Times Group Books, New Delhi, India, 2012. Softcover. Book Condition: New. First Edition. Vir finds himself alone, stuck at the crossroads of life. Mark comes to his rescue as he takes his troubled young friend along with him through the difficult yet beautiful journey called life. This is their journey together, across the barriers of distance, time and places with narrations and stories from all across the globe each of which elegantly touches upon various shades of human emotions. The beauty of the narration lies in the portrayal of the universal eloquence of human emotions in all its shades, which is the central theme, despite the diversity of geographical locations, characters and even time and ages. And Vir finds himself winning over the conflicts, trials and tribulations with the newly found strength and conviction to emerge a clear winner. This story of Vir, as it turns out, touches an 'intelligent' being of the future called Javix10. The message is subtly conveyed, yet it is very strong and inspiring in its appeal without sounding too preachy. Printed Pages: 314.
