Brand New Book ***** Print on Demand *****.Shelley Seale and Keith Hajovsky are self-professed world nomads, who travel just about any time and place they have the opportunity - and usually for free, or very close to it. There are many travel resources and guidebooks out there that tell you how to travel on the cheap, how to save money, how to get the best airfares. The authors have read and used many of them, and there are lots of good ones around. How To Travel For Free (or pretty damn near it!) is different in that in these pages, Seale and Hajovsky share their own personal resources and experiences, and have the examples and detailed how-to that backs it up; along with tried-and-true testimonials from other travelers who have used their methods. If you or someone you know wants to learn how to see and experience the world without the need to have or to spend large amounts of money like so many in the travel industry...
