This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

Brand New Book ***** Print on Demand *****.Excerpt from Six Months Among the Charities of Europe, Vol. 1 The suggestion was congenial to me, and, on mature consideration, I found it recommended itself too much to my taste not to be accepted with pleasure. I have always been of opinion that nowhere could a better proof of the divine origin of Christianity and of the truth of the Gospel be found than in the story, simply told, of some charitable Institutions. Whatever the Christian religion may apparently have in common with other religions, this much is certain, that true, self denying charity, which seeks the lost, loves the poor, and consoles the sufferer, is exclusively its own. There never were such things as Charities known in heathen dom, however civilised; nor were they even known in Israel before He appeared who taught His people to love their enemies, and to exercise charity towards the harlot, the publican, and the sinner.
