Createspace. Paperback. Condition: New. This item is printed on demand. 300 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. You are about to become privy to some of the most intriguing and thought-provoking mysteries of the ages, and in the process you will learn what quantum scientists have known for years. As these incredible secrets unfold, you will be left breathless. Reality has, since Newton's time, been defined by classical physics (so-called physics of large things). However, we now know that only quantum physics (so-called physics of small things) correctly describes all of true reality: Classical reality is now out and quantum reality is now in and it is very different! The problem is that quantum reality is not merely unlike that described by classical science, but is stunningly, bafflingly and mind-bendingly different. Somehow you must begin to understand these differences, because your understanding of reality will always determine the rules of behavior you develop for dealing with life, and if the rules are wrong, the outcome can never be right! How could you possibly achieve happiness and success if continually frustrated by rules of behavior, which are not truly applicable to the world in which you genuinely live? Using inappropriate behavioral rules is exhausting, mentally, physically and spiritually! Living with a faulty view of reality is like a man who lives in N. Y. City but truly believes he lives in Miami, Florida. Imagine how his life would change for the better if he finally realizes his error and begins to see his life in N. Y. C. as it actually exists. Once in true reality, he would be able to enjoy a day at the Metropolitan Museum, explore Central Park, or attend a Broadway show. Instead, he is exhausting all of his energy worrying about alligators and mosquitoes, or looking...
