Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Annexation, Preferential Trade and Reciprocity: An Outline of the Canadian Annexation Movement of 1849-50, With Special Reference to the Questions of Preferential Trade and Reciprocity Although the United States has exercised a most important influence on the course of Canadian history, but little attention has been paid by historians and political scientists to the mutual relations of the two countries. The question of the incorporation of the British American colonies in the American union has been a recurrent subject for political consideration since the War of Independence. In Canada, from time to time, it has become a vital political issue. But almost all the discussions of the question have been marked by the most bitter partisan feelings. The simple facts of history have sometimes been suppressed, and oftentimes misrepresented, or gravely distorted for political purposes. Even the biographers and historians, in some cases, have been tempted to accept their facts, and their judgments in respect to the same, from the opinions of interested politicians or the views of a partisan press. In this monograph, the writers have attempted to deal with one phase, and that perhaps the most important one, of the annexation movement in Canada. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
