AK Press, United Kingdom, 2015. Paperback. Book Condition: New. 203 x 140 mm. Language: English . Brand New Book. Whenever we envision a world without war, prisons, or capitalism, we are producing speculative fiction. Organizers and activists envision, and try to create, such worlds all the time. Walidah Imarisha and adrienne maree brown have brought 20 of them together in the first anthology of short stories to explore the connections between radical speculative fiction and movements for social change. These visionary tales span genres sci-fi, fantasy, horror, magical realism but all are united by an attempt to inject a healthy dose of imagination and innovation into our political practice and to try on new ways of understanding ourselves, the world around us, and all the selves and worlds that could be. Also features essays by Tananarive Due and Mumia Abu-Jamal, and a preface by Sheree Renee Thomas. Those concerned with justice and liberation must always persuade the mass of people that a better world is possible. Our job begins with speculative fictions that fire society's imagination and its desire for change. In adrienne maree brown and Walidah Imarisha's visionary conception, and by its activist-artists often stunning acts of creative inception, Octavia s Brood makes for great thinking and damn good reading. The rest will be up to us. Jeff Chang, *Who We Be: The Colorization of America* Conventional exclamatory phrases don't come close to capturing the essence of what we have here in Octavia s Brood. One part sacred text, one part social movement manual, one part diary of our future selves telling us, It's going to be okay, keep working, keep loving. Our radical imaginations are under siege and this text is the rescue mission. It is the new cornerstone of every class I teach on inequality,...
