Random House USA Inc, United States, 1998. Paperback. Book Condition: New. Reissue. 173 x 104 mm. Language: English . Brand New Book. Jane Whitefield is a Native American guide who leads solitary outcasts through hostile territory to escape the vengeance of their enemies. But the shaded forest paths her Seneca ancestors might have followed on such missions have all been converted to superhighways, and now the safest way stations are crowded urban buildings that offer the camouflage of anonymity. Still, the supply of runaways - and the need for a woman who will take risks to save them - have never been greater. Jane knows all the tricks; in fact, she has invented several of them herself in the ten years she has been teaching fugitives to live with new identities. Many of her clients have been innocent people whom the institutions of society have been too slow and cumbersome to protect, but an increasing number have been like the gambler Harry Kemple: people who aren't especially admirable, but who aren't bad enough to deserve to die prematurely. Jane opens her door to find in her house an uninvited visitor named John Felker, the latest to run to her for sanctuary. He was sent, he says, by the long-vanished Harry: He knew I was in trouble. He told me that if I needed to disappear, there was a door out of the world. He told me that this is where it was. Felker is not like the others Jane has helped, and everything about him is disquieting. He doesn't even know whom he is running from, only that whoever is framing him as an embezzler has already circulated an open contract in the prison system for his death. Maybe his problems began years ago, when he was...
