Dover Publications Inc., United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. The gods and goddesses of myths and legends were the foundation of life in ancient Greece and Rome and, in the centuries since then, they have shaped the world we live in. This collection of 16 stained glass designs is a showcase of these deities, including Zeus, king of the gods and ruler of the sky; Poseidon, god of the seas and earthquakes; Aphrodite, goddess of love and beauty; Heracles, the greatest of the Greek heroes and the strongest man in the world; plus others. Once colored, these beautifully stylized images will glow when placed near a source of light.
