TEACHER CREATED MATERIALS, United States, 2013. Paperback. Book Condition: New. 196 x 130 mm. Language: English . Brand New Book. Beautiful, colorful illustrations show the West African tale of Anansi the spider. In this version of the story, Anansi ties a bit of web to each leg and leaves the other end with many friends who are cooking delicious food. When the food is ready, they will tug on the thread so that Anansi can eat the meal. Much to Anansi's surprise, all of the food is ready at once, causing each of Anansi's legs to be pulled in all different directions! As early readers follow the easy-to-read font, they'll learn why spiders have such long, thin legs to this very day.
