A SOLITARY CONFINEMENT

Ecademy Press Limited. Paperback. Condition: New. 264 pages. Dimensions: 8.8in. x 6.0in. x 0.8in. Robin Sheppard had always seemed like a lucky guy! Proud father of two sons in their late teens, Sam the eldest (the musical one) and Charlie (the artistic one); still good friends with his first wife Georgina known always as George and partnered by the effervescent and indomitable Suzanne known by all as Suzi; when his hitherto contented life took a different turn. He had bounded through 50 years of an unfettered existence working in places that didnt feel like any factory or office you might know. A universe largely comprising five star hotels set in manicured gardens, with fine wines, fabulous foie gras, and outrageous flower arrangements, speckled with well heeled customers in which the anticipation of their needs was paramount. After growing up in Bath he had become an hotelier who delighted in operating some of the very best of Britains hotels, winning hotel of the year prizes along the way, before founding with some like minded chums, his own specialist hotel operating group. Ending up in London he presided over an empire of a dozen or so glamorous hotels which featured architecture of the grade one variety, decadent decor, period fixtures in capability parkland surroundings, and food of the highest standard. His was an untroubled workplace. Taking time out along the way to invent the truly iconic, deep blue, skittle shaped, Ty-Nant mineral water business and then a niche adult soft drinks business he became an entrepreneur without ever knowing it and a role model for many a novice hotel student along the way. Then things changed. A Solitary Confinement is the inspirational story of Robins encounter with Guillain-Barre syndrome. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN....
