ONE-RELATOR GROUPS

VDM Verlag. Paperback. Book Condition: New. Paperback. 88 pages. Dimensions: 8.7in. x 5.9in. x 0.2in. The subject of Combinatorial Group Theory is so young that the number of books dedicated to it is very small. This monograph is concerned with the subfield of One-Relator Groups, which enjoyed an extensive research in the past decade. Its main purpose is to give a quick introduction to the subject and it should play a role as a reference to most of the Literature. The...

Very good eBook and valuable one. This is for anyone who states that there was not a worth reading. You will not truly feel monotony at any time of your own time (that's what catalogs are for concerning if you question me).

-- **Ms. Ona Muller**

Very good eBook and valuable one. Better than never, though I am quite late in starting reading this one. I am very easily could possibly get a satisfaction of reading through a created publication.

-- **Brianne Heidenreich**

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.
