There has been a tremendous rise in the number of individuals pursuing the nursing profession. In order to get the best professionals and to safe guard the health of public, the NCSBN (National Council for State Boards of Nursing Inc.) has adopted a method to filter the candidate through testing their knowledge and practical skill. The exam conducted by NCSBN to provide license to practice nursing is termed the NCLEX (National Council Licensure Examination). Every individual who has graduated from nursing school have to undergo this test and has to pass in order to get licensed as a nurse. Like any other exam, NCLEX also creates that fear on every candidate who are preparing for NCLEX, Will I be able to pass Most of them have this fear due to lack of knowledge about the exam, its pattern and other related information regarding NCLEX. But there is nothing to worry about, since we have included simple and systematic methods that can adopted by any graduate to effectively pass the exam without any stress or strain. There are candidates who have already made their first attempt and failed, so we have written this book keeping such candidates also in mind. This item ships from La Vergne, TN. Paperback.
