Teaching Geography Creatively

By -

Taylor Francis Ltd, United Kingdom, 2016. Paperback. Book Condition: New. 2nd Revised edition. 246 x 174 mm. Language: English . Brand New Book. Teaching Geography Creatively was Winner of the Geographical Association Gold Award 2014 This fully updated second edition of Teaching Geography Creatively is a stimulating source of guidance for busy trainee and experienced teachers. Packed full of practical approaches for bringing the teaching of geography to life, it offers a range of innovative ideas for exploring physical geography, human geography and environmental issues. Underpinned by the very latest research and theory, expert authors from schools and universities explore the inter-relationship between creativity and learning, and consider how creativity can enhance pupils motivation, self-image and well-being. Two brand new chapters focus on creative approaches to learning about the physical world, as well as the value of alternative learning settings. Further imaginative ideas include: * games and starter activities as entry points for creative learning * how to keep geography messy * the outdoors and learning beyond the classroom * how to teach geography using your local area * the links between geography and other areas of the curriculum * looking at geography, creativity and the future * fun and...
