Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which in fact modified me, altered the way in my opinion.

Brand New Book ***** Print on Demand *****.Excerpt from The Great Lamentation: A Sermon in Commemoration of Daniel Webster, Delivered in Cambridge, on Sunday Morning, November 21, 1852 No pageantry attended the obsequies. No cannon, nor muffled drum, nor tolling bells, nor ranks of soldiery, nor bands of music, nor ostentatious tears announced that one of the greatest of the earth had fallen. But there gathered around that reverend form thousands and thousands of afflicted hearts. All the morning they were coming in. Massachusetts was there, New England was there, the country was there. The hills around were blackened with multitudes coming in on foot - the roads were filled and the valleys crowded with vehicles bringing mourners from near and from afar. Around the remains of the great man, in and about his dwelling, down the avenues, and over his grounds, thronged the crowd. Silence reigned; sorrow was on every countenance; the nation's heart stood still. Nature sympathized. The great tree, through whose thick summer foliage the departed was accustomed to gaze into the heavens and worship, drooped with its mighty naked branches to the ground. Two weeping elms, which the statesman had planted and named for his dead children, Edward and Julia, stood up like statues in tears. The forests and shrubbery, smitten with autumnal frosts, had put on their mourning garments, and the sere leaves were dropping on every side. Flocks of birds seemed to beat the air with heavy wing, as in sympathy with the occasion they passed over the place. The funeral services were distinguished for simplicity and solemnity.
