Brand New Book ***** Print on Demand *****.We live in a world where success has been defined for many of us in part by people we don t even know. The trickle- down affect on society at large is the conception of a people who are overindulged, overburdened with stress, underpaid and overworked. Government and personal debt are at crisis levels. According to the United State s government figures one in six people in the United States are receiving public aid. 44.6 million People are currently receiving food stamps. That s 6.7 billion dollars in food stamp payments every month. Medicaid currently has more than 60 million recipients. That s 50 billion in Medicaid and Medicare Payments each month. Five million families depend on rental assistance each month. The numbers for this program are 6.7 billion dollars per year. The bottom 40 percent of income earners in the United States own less than 1 percent of the nation s wealth. The average executive s paycheck in 1950 was 30:1. Since the year 2000 that number has exploded to 300 to 500:1. U.S. Banks now own...
