RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 158 pages. Original publisher: Washington : U. S. G. P. O. : For sale by the Supt. of Docs. , U. S. G. P. O. , 2005. LC Number: KF27 . B5 2005n OCLC Number: (OCoLC)71510663 Subject: Real estate business -- Law and legislation -- United States. Excerpt: . . . 11 Finally, a note about the regulatory competition. Gramm-Leach-Bliley was intended to seal the gaps of regulation by not only ensconcing functional regulation, but by establishing a primary regulator so accountability could not be ducked. It was also de-signed to make regulation more seamless and less competitive. On this issue, for instance, the Fed and the Treasury have shared au-thority so that the OCC, which regulates national banks and the Fed which regulates State banks as well as holding companies, apply together consensus judgment. From the real estate industry perspective, this was considered a significant plus. In conclusion, let me stress that the Gramm-Leach-Bliley Act was the product of many years of legislative debate. The final legis-lation was designed to ensure that the evolution of the financial services industry would not be impeded by protracted congressional interference....
