Family Plots: Love, Death Tax Evasion

By Mary Patrick Kavanaugh

iUniverse, United States, 2008. Paperback. Book Condition: New. New.. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Family Plots is a fresh and funny autobiographical novel about a young mother trying against all odds to create a normal family life with her new husband, a criminal attorney, who it turns out is committing a few crimes of his own. The novel offers readers a wry, unsentimental account of a marriage barreling toward calamity. In an attempt to find romance, family, and financial stability, its struggling heroine stumbles into a world of pseudonyms, fake weddings, and hidden bank accounts. Events that land many of the players into the family cemetery plot also reveal unexpected secrets and stashes that manage, in small ways, to transform a tale of seeming tragedy into one of surprising healing and redemption. VISIT THE AUTHOR S WEBSITE AT Praise for Family Plots: Mary Patrick Kavanaugh tells her story with such unabashed honesty and rapier-sharp humor that she had me hooked from page one. This is one of those you couldn't make this stuff up kind of books that makes you think that's awful, while you're laughing out loud...
